

A FINE

Packaging

EXPERIENCE

# OUR STORY

We can offer you a full branded solution for your  
takeaway packaging.

Our food trays are eco-friendly and recyclable as they  
are made from cartonboard resulting in plastic  
reduction.

Additionally, our food trays are airtight providing you  
with the possibility to prepare meals ahead of time for  
customers at home.

Our Packaging:

Is eco-friendly

Protects the food inside

Keeps your food fresher for longer

Helps with safe and secure delivery

Can be branded with your logo and artwork

Helps you to protect your reputation and brand

Why not increase the number of your covers and create  
your fine dining experience in your customer's homes?
